

# Doorbell 3 Kit

## 4MP Wire-Free Video Doorbell

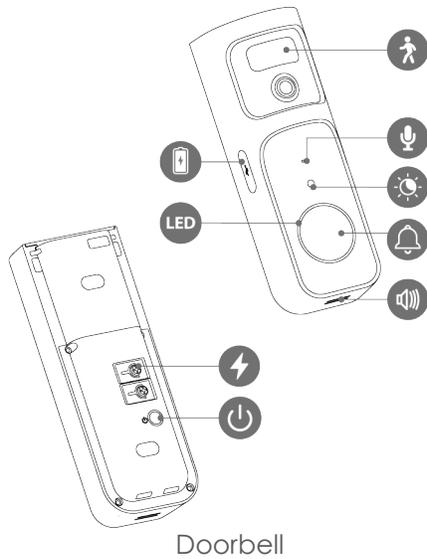

With 4MP QHD live monitoring and Head-to-Toe panoramic view, Doorbell 3 ensures every corner in front of door completely covered. With 5000mAh rechargeable battery, Doorbell 3 is 100% wire-free, easy to install and waterproof. PIR, AI human detection and loitering detection quickly find targets and immediately sends notifications to you. AI package detection can send notifications when packages have been delivered and picked up. To protect your privacy, Doorbell 3 supports customizable quick voice reply, and to talk with variable voice. Indoor Chime DS2 works as the Wi-Fi extender, providing stable network and local storage for the doorbell, which upgrades recorded footage safety.

- 
**4MP 2K+ Video**  
 See more details than 2K
- 
**100% Wire-Free**  
 Chime works as Wi-Fi extender. Free of network cabling and power wiring hassles.
